VCC'S INDIGENOUS ART ACQUISITION PROJECT

is a celebration of the culture, traditions and values of the Indigenous community and designed to enhance and enrich the lives of all students at VCC.

In March 2011, 14 unique pieces of artwork reflective of Indigenous diversity were officially recognized throughout the Broadway campus. This project is supported through development of the Indigenous Gathering Places initiative.

Welcome to the self-guided tour of **INDIGENOUS ART AT VCC.**
