Additional information

Transfer Credit is defined as credit for a VCC course(s) and may be granted based on a successful completion of similar post-secondary courses which overall, constitute equal content to course(s) at VCC. A student seeking transfer credit is required to produce the necessary documents (e.g. official transcripts of grades and detailed course outlines in English).

To be eligible for a VCC certificate or diploma, students must complete at least 25% of the course credits for the credential at VCC.

Final approval for granting transfer credit rests with the instructional department. Transfer credits are eligible towards a program certificate, diploma or degree.

Please note: The awarding of transfer credit may reduce the number of courses required in a term, which may affect eligibility for financial assistance.
